*A Personal Note
from Pastor's Pen*

When we think of creation, we think of the grand events or the beautiful places and creatures that God has made. From the sunset in the plains to the snow falling on mountainous pines, or from the gigantic giraffe to the uniquely painted cheetahs. There is so much creation that God can relish in and find pleasure with. But the crown of creation is not found in things, events, or places of this earth that catches our attention. The crown of creation, is you. I reminded you this morning, that God did not die to save the beaches or mountains, nor did he die to save the animals that dwell in them. However, God loved you to the point that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life. And although we may struggle to look at ourselves find much to glory in, the Bible says in Psalms 149:4 For the LORD taketh pleasure in His people. Could God really find pleasure in us? Because we are so aware of how we have broken His law and have felt the guilt of our past mistakes, we ponder this question. Can God find pleasure in me? And if you are a Child of God this morning by Faith, the clear answer is yes. I believe every moment you make a right, yet hard decision, every time you live obedient to His Word, or every time you help another person in Christ like love, God is well pleased and finds pleasure in our faith. I think of the times in Scripture where God from Heaven would say of Christ Jesus, this is my beloved Son, in Whom I am well pleased. May we live the remainder of our days and choose to fill the remaining moments of our lives, with a consciousness that we are God's Children, and our lives matter now and for eternity.
